“ *It was with sadness I learned of another dear one's passing. Uncle George was always in a good mood. He always consistently treated me with respect throughout my life. He always engaged me in a friendly way when I was a kid. I have great memories of him, & all the Klimek families, & the good times we shared. I recall Uncle George, & my dad always talking about cars & obscure beer brands. One of the times I saw him recently, he asked me what kind of car I had!!*

I was Blessed to know him, he will be greatly missed.

“ *I am very sorry to hear of the passing of your dad. He was always very kind to us. We have fond memories of the Klimek family gatherings. The brothers are once again united. I am sure they are having a good time, like they always did. May all your good memories bring comfort. Your dad was a special person.*
