November 15, 1949 - September 8, 2024

Gizella Katalin (nee: Botka) Urmenyi, 74, passed away on Sunday, September 8, 2024.

Gizella was born on November 15, 1949 to Mihaly and Katalin (nee: Szabo) Botka in Babarc, Hungary. She grew up in Budapest, Hungary, alongside her parents and two sisters.

Gizella met Csaba Urmenyi at a party in 1970. They were united in marriage on August 19, 1972. Gizella and Csaba immigrated to Milwaukee in 1982 with two suitcases. Their daughter Zsofia was born in 1985. Gizella worked in the housekeeping and retail industries prior to beginning her career as a bank teller, which lasted over 20 years. She worked at various banks, including BMO Harris Bank from which she retired in 2013. In 2017 they down-sized and moved to Sturtevant to be closer to her daughter, son-in-law, and grandson.

She was a strong, loving, and caring woman, who would do anything for her family. Gizella's grandson, Oliver, was her whole life, heart, and soul. She loved watching him grow up and was always so proud of him. Gizella always lit up when he was around, even in the last months of her life. He was her reason for powering through the last few painful and challenging years of her life.

Gizella will be deeply missed by her husband, Csaba Urmenyi; daughter, Zsofia (Matt) Klein; grandson, Oliver Klein; sister, Eva Botka; brother-in-law, Laszlo Strober; and other family members and friends.

She is preceded in death by her parents, Mihaly and Katalin Botka; and sister, Ibolya Rusznak.

Gizella's daughter will contact family and friends regarding a celebration of life gathering.
