“ *Just this week my mom and I learned of Gloria's passing. She was a friend from Trinity and a wonderful hairdresser! When I was in Wisconsin I saw her a few times at St. Monica's. My mom recalls many happy coffee times with Gloria through the years until my folks moved to Hawaii and then Florida. Then it was correspondence. The day after moving my folks back to Wis. took my mom to St. Monica's to look up Gloria and Ginny, It was then (July 14) that we got the news of Gloria's passing. Our prayers and thoughts are with the family. God's peace always. Gloria was a kind, loving woman of God. My folks loved the name Gloria so much that they named my little sis Gloria.*

“ It was my pleasure to make Gloria’s acquaintance when I would visit my mother at St Monica’s. She was a table mate in the dining room and a treasured companion for her until her passing in 2015. I extend my sincere sympathy to her family and pray that Gods love will surround you and comfort you all during this sad time.

“ I have so many wonderful memories of Gloria and of course she is my name sake...Renee Gloria. My mom was her friend since before I was born. Her house and fun basement, her beauty shop where she cut off my long hair because I asked her too and then hugged me when I cried because I hated it... she will Always be with me. I think of her every time someone says my full name. Hugs and love to her children and their families. Rest In Peace Gloria💕💕💕🙏

“ *Grandma G had a great attitude towards life; hanging out on a catamaran having cocktails with the family and our Jamaican crew was a great highlight of Heather and I's wedding. So glad she was there for that day. I still remember when we told her that we were getting married she said to me, "Took you long enough." Ha! She will be missed!*
