“ Dear Barb & Wayne,

*It was with shock and sadness that I received the news of Griffin's death. In fact, my words seem inadequate in expressing, how sorry I am to hear of his passing. Over the past few days, my thoughts of Griffin have taken me back to the fond memories of our family get-togethers. Please know that Griffin will never be forgotten; though he was here a short time his memory will last a lifetime.*

*I can't even begin to understand your pain. I pray that your hearts and souls find peace and comfort. Please accept my heartfelt condolences.*
