“ Dear Jim, Katie, Matt, and Lauren,

Tim and I are absolutely broken-hearted by the loss of such a sweet, kind, and tender-hearted soul. Gwen's light has gone out too soon and so unexpectedly—making her loss that much harder for all of you—and, man, would she hate that. She was always so quick to smile and always looked for the fun and the good in any situation. I know the loss of her light and energy is going to be felt deeply. We are holding you all in our prayers as you navigate your grief journeys in the weeks and months to come.

“ I worked with Gwen many years ago and it seems like yesterday. She was such a good nurse and never had anything bad to say about anyone. She made being at work a pleasure.

“ My mother was a dialysis patient for over 5 years. Gwen was one of the nurses who cared for her. She was a kind, gentle, compassionate nurse who always wore a smile! Even with a mask on, you could see the smile emanating through her eyes. She had a kind word, a gentle touch, and time for the patients and their families. She was a true blessing. Prayers for her family and friends.

“ Gwen was so sweet, caring, knowledgeable and dedicate to her patients and such a joy to be around. Whenever I'd go to dialysis and see Gwen no matter how busy she had this calmness about her that made you feel things would be okay. What a loss, a beautiful person inside and out. My sincere sympathy to Jim, Matt and Katie

“ Gwen became a close coworker in dialysis to me. She had such a sweet meek spirit. Was an excellent nurse. Watched her children grow up. Am praying for her family.
