“ *I remember Harry with his gentle spirit and ready smile. I can see him making things with those always busy hands. I was sad to hear of his passing and Nellie, I know how much you will miss him. I remember well the Kuipers, Clarence and Clara, and how lovingly they cared for Harry. He touched many lives with his gentle ways.*

“ *I remember my Uncle best for his smile, it was infectious. He had such a kind & gentle way about him. He would love to fix & tinker in his shop. He would check out the ice on the river when we ice skated. I will miss him so!*
