“ Dear Steve, Chris, & Beth,
I'm sorry that the time came to say goodbye to your dear mom. I have good memories of your mom & living on West Blvd, especially when we were kids. I wonder how many cups of coffee our moms shared throughout the years. I can picture your mom sitting on the end of the couch knitting, evening after evening. Your mom was a person of patience & encouragement. When I took Beth for a stroller ride around the circle for the first time, she screamed almost the entire time. My mom thought to herself, why doesn't that mother take care of her child! After arriving home, your mom encouraged me not to give up saying, "she'll get used to it." When your mom would pick up my mom to go someplace, she would usually back up down the block. My mom had commented, "I think Helene likes driving in reverse better than forward." Enjoy all of your memories & look forward to reuniting with your mom!
Love,
Cherie Christensen
