My condolences on the passing of Howard to my sister, lola and to all those who owe their life to this man-his children, grand children and those to follow. You don't have to be president to make a difference in the life of people. Howard made a difference. From my vantage point, he was a family man interested in his wife and children, seemingly to put them first. Howard was an all around good guy, who will be welcomed into the Kingdom of Heaven.
