“ To Jack, Ron, Greg, Mike, Gary, Wayne, Edward and others who grew up together, played together, laughed together, and remained friends for a lifetime even though we may have traveled on different roads in our later years. We grew up in the same neighborhood, went to the same schools, drove Honda motorcycles and did what kids do between the ages of 8 and 18. Five of us went to Vietnam and returned. In the past couple of years we lost Gary, then Wayne, now Jack. Every time someone I grew up with passes I feel like a part of me has left this world, but each one will be remembered for as long as I live. Jack, you were a good friend, thank you. God Bless you and your family!

“ Mary, Matt, Sean, J.T., Alan & Don.....

Some of you don't even know me, but I have known Jack and the Spencer brothers for many years. I was shocked at his sudden departure from this life, having spoken to him at the golf course just the morning before. Unfortunately, I am unable to attend the service as we purchased tickets for the US Open months ago not knowing the importance that this date would ultimately have. You have my deepest sympathy. He was truly a good man.
