“ To family of Jacque :
Our hearts were greatly saddened by the news of Jacque. We were just getting ready to walk the RELAY LIFE OF KENOSHA ,when we got the news .I felt her presence there as the candles luminated the night ,it reminded me of her smile ,how it always lit up the room. She left an afterglow! During relay storms moved in.It reminded me of the many storms we face in life. Jacque weathered storms in her battle .She's a true inspiration of faith! She may have lost her battle ,but her soul is there with Thee ! Put all your trust in God as she did and he will lead you through this heartache !
Your memories will help you hold on .We all have many memories , she left many heart prints where ever she went,So we will always be in touch !

*Blessings,

One of the sweetest people ever created has left an unrepeatable impression on earth. But our good Lord just had to have another angel in heaven. May you rest in God's everlasting peace Jacque. I will be praying for your family to have the grace to go on until you are all joined together again for all eternity. Joan Brigman Krueger
