“ *Jimmy was always a man with something funny to say and always full of life. He was always cooking something new in his peanut oil pot. Yummy Oreo's and Twinkie's. He loved fried foods and yummy pudding shots or Jello shots. Hanging out with his Family and Friends was his Passion. Going to the Movies with his Family was number ONE. Jimmy will be missed. I'm so sorry he had to leave us so soon. RIP Jimmy love you and miss you.*

“ So sad to learn this. One of the best days I ever had was going to Great America for my first time with Jimmy, Roy and Mary Ellen back in 1982. They will always occupy a special place in my heart.

“ Uncle Jimmy,
I miss you, but I am going to remember all the good times I got to spend with you. The times you always took me to the movies, and always coming up there and going camping. And how you got me to love mudslides and sitting around the campfires. Then, how proud you were of me when I graduated from Navy Bootcamp and got to come spend time with you that weekend and how I ran 3 miles to get to the train to spend the weekend with you camping on a weekend off during A school. I will always miss those times but will never forget them, and I will always keep your packer watch close to me always you gave to mom to give me. I love you and miss you
Uncle Jimmy.

“ Thoughts and prayers go out to the family during this difficult time. We were friends when we were younger during high school and the things we did. He was a very numerous fella and kept us smiling and laughing. We will miss you Bud! God Speed, Jimmy!
