“ With deepest sympathy to Carol and all of the family. As one of her Horlick 1952 friends I am touched with her remembrance of our group. I recall Jim from Roosevelt grade school and through the years, and know that he and Carol were blessed with each other through the years.

“ I have not had the chance to see Jim often in past years. That does not erase my memory of such a gentleman. He had a tender way of good conversation. His demeanor and smile was very evident. He was good at his work profession and also carried an excellent professional knowledge within the challenge of pool and billiards as recreation.

*He was a winner in many ways.*

*My sympathy goes out to his family, dearest friend Carol and those that were fortunate to have known his goodness.*

*Sincerely,*
