“ James was our high school coop student on line 366. Kathy Martin and I were proud to mentor him during that time. He was a conscientious hard worker with a great sense of humor liked by all on line 366. I'm sure he will be missed by all that knew him. It's especially sad when young folks pass.  
Steve, you've had such a heart breaking year with the passing of your wife and now James. I can't even imagine the grief you are going through. I'm sending my deepest sympathies and all the good energy I can to you and your family to help you get through all this.  
Stay strong.
