“ *My condolences to the family. I worked with Jim in the early 70's. He taught me how to TIG weld among a few other things. We fished together at the Mississippi River. He was a noble and humble man I will never forget. Gene Jacobs...*

“ *Karen and Family,*

I last spoke with Jim several years ago at Pick and Save just before You were leaving for Florida. We talked about you two and your life in Naples and my winter life in Cape Coral. We talked and laughed about the time He took me on a hunting trip to the Apostle Islands in 1964. Many, many things we shared including experiences we both had over the years and now my friend has gone to a better place where disease and pain no longer exist.

I regret that I will not be able to attend Jim's service but I will be thinking you and your family.

Deepest Sympathy,

Chet Anderson
