“ *Our condolences to Craig and Jamie's family and friends*

I wanted to share this photo that took place at one of the many fisherees on Connors Lake. Whether it was on the ice or a beautiful day on a Lake Michigan, Jamie and Craig loved to fish. She also loved the competition and thrill of catching that next trophy. Jamie has touched our lives in a positive way. We won't forget her fun loving personality and that infectious laugh.

*Love
Clark and Cindy*

“ To Jamie’s family I’m so sorry for your loss. We spent so much time together in high school. Jamie went camping together with my family. We spent time together as girlfriends, she was part of our wonderful group. She was such a gem.

“ Jamie and I met on her mom Sues porch. We shared lots of laughs and she even single handedly installed a new water heater in our home. This lady was one of a kind and will be sorely missed.

“ I have fond memories of being in art class with Jamie at Horlick High School in the fall of 1981. She sat at the table opposite of mine, so with rows facing each other, naturally we had ample opportunity to visit and critique each other's work. The teacher (Mr. Belland) had an old stereo set in the room and we would often listen to the top pop of the day during class. It was a fun time and I've never forgotten that she was a part of that. It was my pleasure recently to have a chance to reconnect with her on Facebook after all these years. I know she loved her family immensely and was so very proud of them. My deepest sympathies go out to all those who survive her.
