“ Jan lived just down the block from me. Walking past her house with my dogs several times a week I would visit her often. She was a wonderful person and will greatly missed by me and my dogs. My condolences to Marlene and the rest of Jan's family. Rest in peace.

I'm Janets Jefferson Street neighbor. Her friendly greeting and warm smile welcomed me to my new home. She helped save my house by calling the fire department in '21. I am truly sorry for your loss. I knew as a kind, friendly and loving neighbor.

Janet and I are the Jefferson street OGs. I've known her most of my life and used to play Barbie's together in my back yard. Her dad and mine were good friends and used to compete as to who had the best lawn. I admired the way she took care of her dad in his later years. Whenever I walk my dog past the house he looks for her because he knows he will get lots of love and maybe a treat. I've spent lots of time sitting and chatting with her and finding out what is going on in the neighborhood. I was up north when she passed and was shocked to hear what happened. I will miss her very much, she was a good friend. Norma Johnston
