“ Jerry was in my homeroom at Horlick HS. He was one of those students a teacher always remembers with fondness. He was a friendly, kind, and intelligent student then and from the condolences I have read, Jerry continued on to be a wonderful man. I am not at all surprised. Please accept my sincere condolences at this very difficult time. Fred Dobke

“ I remember Jerry always having a smile on his face and a laugh to share. We used to go over to his house after Softball games and Terri was always the perfect host! I love you both and Clayton and Weston also, even though I have not seen them since they were small-they are in my heart still. We are so very sorry for your loss, it is such a huge loss-you guys were soul mates and together nearly your entire lives. If I could, I would just hug you!
