“ Prayers for John's family. John was a close neighbor. We shared the love of dogs, good cup of coffee, political conversation , flowers anything about guns reloading and a good hunt. We shared stories of our grandchildren, loved nature especially our backyards. We will miss you! Gone to soon.
John was more than our neighbor. I'm proud to call him our friend!

“ Pops was the absolute sweetest & generous man I have met. I was honored to be his "girlfriend" for the day at various get togethers throughout the years. The Cammack's have always made me feel as a part of their family. I am sending love and hugs to the entire family during this difficult time.
