

## Joseph Chester Opahle

February 3, 1938 - September 7, 2018

In keeping with Joe's wishes, there will be no obituary or services.

# Tribute Wall

GM

“ *My memory of Joe is that he has been a neighbor my entire life. I always felt like our families were related, even though we're not. Joe could be a bit hardcore, but I never felt that from him. I always had great conversations with him and now if I ever needed anything I could call him and he'd be right there to help. 3 Mile road will not be the same without him. RIP Middle Joe! Gail Mattie*
