“ *Though we never met in person, I always could tell that she ran a thoughtful and caring business. She appreciated the spiritual material that we had the team transcribe and I really appreciated knowing the real people that were helping on the team that makes a movie reality. I thank her for her wonderful attitude and dedicated service. The current film HEAL , which her team worked on, will go a long way to help those with disease to recover and live happy lives. Thank you Judy.*

“ It is with profound sadness I extend this loving note of encouragement to the loved ones of Lady J. I call her Lady J because I am also Judy. I pray comfort and fulfillment of joy as you all recall moments where she enriched your lives with her boundless love and patience. Truly, Lady J enriched my life, and no doubt countless numbers of others. She will be missed, but she leaves behind so many precious memories... gone but never forgotten.

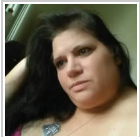

Prayerfully yours,
Judy K. Henry

“ Such a lovely lady who will be greatly missed. May you rest in peace now. Even though we never meet in person she was my friend and she was always a phone call away no matter what. Even in her darkest hour the last thing she said to me was I love you. I love you to Judy and you will always be in my heart!!!!!!

“ I worked for Judy in her online transcription company since 2014 she has been my mentor, sunshine and friend since that time. I was not with her long and I did not have the honor and privilege of meeting her in person but dealing with her over the phone and through skype we became friends. I enjoyed every minute working for her. She was a very kind and loving soul and would do anything for the people that she touched. You will always be in our hearts Sunshine. Rest in Peace, you truly deserve too.
