“ Judy, I cannot believe you're gone. I just saw you a couple of weeks ago and you seemed to be doing okay. Judy was my insurance lady as well, however she turned out to be a wonderful friend. She had a wonderful caring personality that was willing to help anyone she could. Instead of sending in my insurance payment I would go to the agency and pay it just to see her and visit with her. Judy was very thoughtful as well when my so Sam passed away she was there for me, she and another co-worker got together and made a beautiful gift for me in remembrance of my son Sam. I will miss Judy very much nothing will be the same at that office anymore now that she won't be there.

“ We are deeply saddened to hear of Judy's passing. We started out this journey with her as our insurance lady and are now ending it with her as our friend. I'll miss our long chats!

She was the kindest person with a heart of gold. She took her job seriously and was great at it! She also enjoyed the job of being foster mom and left a huge impact on lives of the kids she fostered by showering them with love and the admiration they so needed. She has left a huge impact on us and many others who have crossed paths with her.

Judy you will be deeply missed and thank you for just being you. Our heartfelt sympathy's to your close and extended family, Your work family and friends to numerous to mention. You will be missed dearly. Soar with the angels you'll now be etched in our memory.
