

## Julie K. Hanson

December 26, 1961 - April 12, 2022

Julie K. (nee: Honore) Hanson, 60, resident of Racine, passed away Tuesday, April 12, 2022, at Seasons Hospice in Oak Creek.

She was born in Racine, WI on December 26, 1961, the daughter of Jerome Honore and the late Kay Mulvey.

In 2012, Julie was united in marriage to Michael D. Levy, Sr.

Surviving are her children, Jasmine (Jasen) Lohr, Jordan Hanson, Michael Levy, Jr., Joy (Colie) Blake, Joe Levy, and Renata (Athena) Santiago. She is furthered survived by her brother Jeffrey (Debbie) Honore, brother Jonathon Honore and sister Jennifer Honore. As well as grandchildren Averri, Wesley, Kenneth, Damian, KJ, Isabelle, Jaden, Chance, Bella, and many nieces, nephews, cousins, other family, relatives, and dear friends.

Always with a positive healing attitude. She had a way with words, art and quiet compassion to offer support far and wide. An exceptional mother, wife, relative, friend, teacher and grandmother. Julie graduated in 1991 as a Registered Nurse, with high honors. She continued her education to become a licensed massage therapist in 1997. These titles, she was very proud of. Her work as a massage therapist gave her the ability to help people by providing a place to heal and a listening ear. Julie loved gardening, cooking, travel, and art. Her artist journey was self-taught. She enjoyed working with her hands and finding creativity to express herself. She made characters and decorations with her sewing machine, pencil and charcoal drawings and ended the journey with large scale landscape scenes from her beautiful

imagination with acrylic paint. Her garden included well placed and designed flowers surrounding her home. She loved to watch sparkles on the lake at her happy place with coffee in hand and end her day with a cooking show or documentary.

Now she is with her mother, aunts, and friends as they celebrate over cake and coffee.

A memorial service for Julie will be held at Sturino Funeral Home on Saturday, May 14, 2022, at 11 a.m. with Rev. Sarah Walker Cleavland officiating.

Visitation will be at the funeral home from 10 a.m. until service time. She was cremated and will be laid to rest in a private ceremony.

We would like to thank all those that shared the joy in being part of Julie's life.

A thank you to Froedtert Hospital and Seasons Hospice for their great care and comfort in Julie's final days.

“ The voice of a Radio Announcer and the living heart of an Angel greeted me one early morning as I walked my dogs near our lake house. Within minutes, I had made a friend with a wonderful woman. We did not know each other long enough...the relationship was formed during a Pandemic, hip replacements and other personal trials and tribulations. But, we would laugh that it was really possible to make a great friend later in life and how much fun it was to share our “happy place at the lake” with each other and dream of working hips that would allow for long kayak rides near our beloved turtles. Julie radiated a loving warmth and sense of calm that made everyone she met heard, listened to and appreciated. THAT is a tremendous gift to the world! Not many people possess this gift. That is what makes it and Julie so very special. She will be dearly missed by all, but I will forever keep her in my heart and try to emulate her... spreading love and light to all in her honor. Long live Julie within us all!!!

“ *Julie was my massage therapist quite a way back. Not only a gentle practioner, but a gentle person, often sensing you had issues & she lovingly listened. And gave you guidance if you sought it. She was genuine, smart & down to earth. I am really sad to hear this. She loved her family as we would sometimes exchange familial anecdotes. Julie ,you were a special person. May Rest In Peace. ❤️*

*Julie was not only my massage therapist but my dear friend. We knew so much about each other and would laugh over our joys and tribulations. My daughter babysat for Jasmine when she was little. I don't know why I just discovered that Julie had passed so I am newly mourning her. She was so full of love and compassion. She taught me more than she'll ever know and I will miss her always.*
