“ I remember June and her family coming to our farm on Highway U. We had picnics with the family. I also remember going to stay for an overnight visit at their house in Racine. June was always kind and had a gentle spirit. It is with great sadness to see that she has passed on. I know she is with the Lord now and rests from her labors. God bless you Joy and Jamie and your families as you mourn her loss. Remember that grief is the price you pay for love.

“ I remember June and Jack from the 1980's when they would spend their summers at the lake and attend the First Congregational Church in Rochester. In recent years, when the ladies of the church packed boxes of Christmas cookies for the shut-ins, I was the person who delivered them to June. We had such good visits over the years. She was such a warm , caring and generous person. I shall miss her. My heart goes out to the family on your loss.

“ *We remember the family picnics with all the great games at the Fennell home when we were younger. Sleepovers with my cousins and a smile at all times from Aunt June. Most recently we enjoyed our monthly "aunts/cousins" luncheons. So many things shared. We will miss you Aunt June.*
