“ I worked at the bus company when Karen drove DART bus. She was always the cheery person and so sweet. I am soo sorry for your loss. She was a great person and I will always remember her for her goodness. She made a few of my grand-daughters Birthday cakes, it was at least 5 yrs ago and they still talk about those cakes, they were so amazed at them. Please know my thoughts and prayers are with the family. She one special lady and will truly be missed.

“ Karen and I had great times together whenever we spent time together. We did stain glass together almost every week. She was my mentor and teacher of stain glass. Whenever we made a mistake on a piece of stain glass we would fix it and laugh and say that now it has more character. She was really good at picking out colors, texture and glass design. We spent a lot of time sharing about our lives and families. Sometimes Gage would join us and he would try to give me homework, but Karen gave me my homework in stain glass for the coming week. She always had a lot of laughter no matter what was going in her life. She really loved Tigger, but not Winnie the Pooh. She had a great love for husband Tom, her daughters her grandchildren and her dogs. We would always hug goodbye and she would say "see you next time" I will really miss her and her companionship. I can't believe that she is gone.

“ To say the words "I am sorry for your loss" seems an inadequate expression of the sadness and empathy I am feeling. Please know that I, and many other of Karen's friends and former coworkers, share in your grief. She always had a smile on her face, no matter how trying of circumstances and I couldn't help but admire her for that! She made the best cakes for all the birthday parties and get togethers - and I seem to remember a certain "Hermie the Elf" birthday cake she had a hand in helping make for my birthday one year! (That's got to be a classic.) I hope you can take some comfort in knowing that you are in all of our Prayers, and that Karen is now in the peace and care of our Lord.

“ We've been Karen's and Tom's neighbors for 6 years. I truly loved hearing them all outside as a family enjoying each others company so much. A great example of what family is all about. We are so very sorry for your loss and will keep all of you in our thoughts and prayers.

“ Karen enjoyed going out to festivals and dinner, and we tried to go with them as often as we could, her favorite was Buckets for wings. We always had a lot of fun together, and were fortunate to be their neighbors for a couple of years and worked together with both as well. Backyard fires, cold beers and lots of laughs. One of my memories is asking Karen to say "squirrel", with her best Rhode Island accent, she was such a good sport about it. I will miss her dearly, and treasure the times we did share.
