“ *I knew her as Sydney Clausen mom and Greg Clausen mother in law and met them in the transitions of our congregations. She had a smile and joy for her family. She had a passion for bingo, Denny's and the Milwaukee Brewers as the love for God and baseball was always golden in her heart. I am praying for the entire family as I knew how close knit they were all together. Just know you are all loved and supported by many in your hardest hours days, weeks, months and yrs ahead as with God anything is possible to become and be with our heavenly father and reunite again with those that have loved us first. Abiding love and sending condolences,*
