“ *I pulled out a picture from storage Sat. that I had made years ago at " Kathy's Sewing club". I mentioned it to someone and they told me of her passing. “ I so admired Kathi's needlework. She did such fine work!
Going way back in my memory, I am visualizing the time we went to the Wisconsin State Fair. Don and Dave were off somewhere while Kathi and I went into the freak show (which probably now we would be appealed at ourselves) but we laughed a lot and very hard. I will miss a sensitive person.
