“ I have great memories of working with Kit at Knapp School for many years. She was always honest and forthright, you always knew what Kit was thinking. I always enjoyed her take on life and her sense of humor. My thoughts are with her family at this sad time.

“ Kit was a second mother to me. Being her daughter in law for 20 years and she was still "MOM" TO me. We were very close and we tried to get together every chance we could. She was a great mom and a very special friend. I will miss my friend/mom very much. She was a great lady.
