“ Our sympathies to your family. You have lost both Mom and Dad in a short time. We know Keith and Sue from the Dudes & Dolls Square Dance Club. They "graduated" from lessons in 1972 and were already serving the club as Treasurer the next year. Sue and I shared stories about nursing our babies. Keith loved the line dance called "Amos Moses" and requested it frequently. They were a fun couple. We are sorry for your loss.
