“ We made it through Friday night Kev, many people came to say goodbye. RLH and Trinity were well represented. Of course many family members. Kev now I will have more time to think and miss you. I am listening to your playlist that we played Friday night. You would've loved it all your favorite songs..Oh Kev, I walk around trying to understand how we could have lost you so young. Please hug your mom for me. Now you too are together again.

“ Oh my sweet boy, I can't breathe without you. You were the kindest, loving of all. Your hugs were the best. Your smile beyond words, oh how you could laugh. When your mom died I knew you would be different. I knew how much you hurt. I am so sorry I couldn't take your pain away my second grandson! I know one thing you knew for sure I loved you dearly prayed for you daily and drove you crazy when every once in a while I needed you to call me not text just to hear your voice.

I needed to hear the words at the end of the call"Love you much"
