“ Lenora was my boss at Dollar Tree. She gave my 1st job. I went in to ask if they were hiring, she asked how old I was. I said 15, but I turn 16 soon. She told me to come back when I turned 16. So I did, on my birthday, and she started me that day. She was such a kind, wonderful person. I just happened to be looking her up and found out she passed. My sincere condolences to her family.
