“ I was a childhood friend of Leslie and Carla, living on the same street in Racine Wisconsin until we moved to NJ in 1961. We would set up tents between our birch trees using ropes and sheets, making Barbie doll homes and playing for hours and hours. I really adored Leslie and Carla and had to move away based on my Dad's new job. I visited her one more time in 1968, and then lost touch...recently I sent a friend request but I see now, she had passed away. I am so sorry and have said a prayer for her, she was such a good friend during those important years. I feel a loss....to find out this news.

“ I was so saddened and shocked to hear of Leslie's passing. i first met Leslie back in 1974 when i walked into her Fathers company Custom Packaging and obtained my first full time job.I worked At custom for 18 years of my live. The last few years at Custom I worked along side Leslie and her husband Ken, Leslie was a wonderful kind person. She always took the time to talk to you and ask how things were going. I will always remember her and my days at custom Pkg. and wish to send my Prayers and condolences to the Wohlust,-Markusen family there is a new angel in heaven today and that angel is Leslie
