

Leslie L. Schmidt

July 21, 2025

Leslie L. Schmidt, 75, was taken to the Lord's home on July 21st, 2025. Les was born to the late Lloyd and Grace Schmidt in Sheboygan, WI.

Les was also preceded in death by his youngest daughter Lesley Jean Schmidt from cancer in 2002, and his younger brother Lloyd Schmidt Jr. in 2014.

Les is survived by his beloved second wife of 27 years, Mary M. Schmidt; two daughters, Melissa Wehner and Stephanie Sivertsen from his former marriage; two step-daughters, Monica Dixon and Pamela Schubert; and two brothers, Larry and Kevin Schmidt. Also left behind are numerous grandchildren, nephews, and nieces.

Les had a passion for every car build since time began. He was a dedicated self-taught auto mechanic working from his garage and trusted by all who brought their vehicles to him to be repaired. He did this on the side after working a full-time job at the former AMC/Chrysler plant in Kenosha for 35 years of employment before retiring. He became a self-taught computer expert and therefore when anyone had issues with their computer they could count on Les to help. He purchased a hotrod kit to put together to enjoy for many years after recovering from an accident on his Harley bike that resulted in his giving up on riding from that point on. He loved traveling with his wife

until a back injury prevented any further trips. He loved the Lord and looked forward to being called home as his health declined rapidly in the last few years prior to his death.

His wife thanks the Aurora hospital's medical team that took quick action to have Les flown to Froedtert hospital knowing how serious his injuries he had due to an auto accident. Their care and compassion for Les prior and after his death is deeply appreciated by his wife and family and will never be forgotten.
