“Aunt Lois, there's not one person in the greater Franksville area & across the Country, including Canada, that won't miss you. You have been loved by so many & we send our love along with you. And, our sympathy to Margie, Joan & Don & families. As one of many memories: Your coffee was always special...a warm cup over your campfire or in your welcoming kitchen, we will miss that! As for cards & game rules you were always the "family official", you knew the rules & Jean & I called you multiple times for rule clarification(s) on Pinochle and Chicken Foot right in the middle of our games with friends from all across the Country (I think we even got you out of bed several times)...we will miss that! But, Jesus told me last night that...finally, the arguing up in Heaven by the "Olsen Clan" is over "the walking rule book has arrived", Heavenly Peace & continued Love prevails! Aunt Lois, we send our love & peace with you, and to the generation of Olsen's and all now passed. Earthly memories will be cherished forever. We will miss you. Love, Rod & Jean Olsen

“ *Lois was a long time member of the Bristol Swingers golf league. She not only was a good golfer but also very clever with skits and entertainment at our luncheons. I was always amazed at her putting ability with her very unusual putter! For many years she invited the league to her house in September for her famous Scandnavian breakfast. She had a great sense of humor and we will all miss her. My sympathy to all her family. Sincerely, Gail Casey*
