“ I was sorry to read the passing of Lorraine Janes. I remember her as an elegant lady who had a great smile and a calm voice with a delightful laugh. My fondest childhood memories include spending time at the Janes house on North Main Street. Her daughter Judy was a childhood friend. Lorraine was so generous to include me in many of their family activities...visits to grandparents' homes (and the farm), circuses, sledding at the RCC. Her passing evokes many fond memories of the times and people which populated my youth. My sympathy to her family.
