“ Our dear friend. All the years we have know Lorraine we never heard a cross word from her. She truly was a great friend. Remember the Packer games how we froze. The day we drove up there it was warm outside and the next morning we woke up to about six inches of snow and we didn't wear boots or have gloves with us. Now we sit in front of the TV and watch the game in comfort. We have to admit it was the spirit to see the players in person.

Remember when we were going to a Marquette basketball game and we rode down that bumpy rode by the stadium. And I was pregnant. The next day I had Brian. I remember Lorraine's laugh.

Remember on your anniversary when Lorraine put on her wedding dress at your party and someone drove her away and then dropped her off. What a good sport she was.

Those were just a few things we enjoyed with Lorraine. God bless her. So long for now until we see you again.
