Our prayers and thoughts are with the Candido, Friend and Podhola families! There are so many special memories of Lorraine and Papa Austin sitting on the swing set with Jacqueline when she was small. Lorraine will never be forgotten! She will hold a special place in all of our hearts. She is now free to be Lorraine all over again! Where one door closes another opens. This is a new journey for Lorraine.....a journey where her mind, body, soul and spirit can be free! We love you Lorraine! Thank you for all the joy you brought to Audie! Thank you for your kindness, hospitality, your wit and for teaching us how to make fried donuts. Love always, Teri Leal & family

Lorraine will be missed....I loved her....She was a very special lady who had nothing but kind words for everyone she met....She was a wonderful friend to my Dad, Austin D. Miller, for many years and if it wasn't for her Dad probably would not have lived till nearly 91 years old. My prayers will be out there for all of Lorraine's family.
