“ Dear Aunt Lydia,
This year you will be spending your 99th birthday in Heaven with the Lord and Uncle Ed.
We were so blessed to enjoy the children's birthdays at your house when they were growing up.
You always took them to swimming lessons. We had fun playing croquet on your lawn in the summer.
We loved being with you when we lived in Racine.
You will always be in our hearts.
We will remember the twinkle in your eye and cute sense of humor.

With loving memories,

Lydia was my great aunt and I have special memories of her especially as a young girl. She had special birthday cakes for my brother and I out in her sun porch. I loved Uncle Ed and Aunt Lydia's back yard full of trees and quiet shadows with a pond nearby. She started my life long love of swimming by early swim lessons at the YMCA.
I am glad my husband, myself and our three children were able to visit her in the last few years. Our daughter, Lydia (named after my aunt) was able to play piano for her at Willowgreen. I thank them for their good care.
I will always remember Lydia for her gracious spirit and twinkling eyes. She will be very missed.
