“ I am grateful to have known Margaret by way of the Lincoln Lutheran Skill Bank. I provided transportation for her to Dr. appointments, and she provided me with some very interesting conversations in the process. Whenever she asked me to run to the store and pick up scrapbook albums for her I was happy to know she had a hobby that kept her involved in life I was very impressed the day she showed me her collection of scrapbooks. What an interesting lady to know! I will miss our chats.
