“ Mom I know you were always there for me when growing up. You never put me down or said damaging things but always supported whatever I was doing. I know these last couple years have been hard on both of us and I hope you are at peace with our Lord and Savioir and most of all I hope you forgive me when things were getting frustrating for me because I know they were frustrating for you also. I love you and I am heartbroken that I didn't make it home in time to say goodbye. Dad is lost without you and keeps asking if this is all for real or a bad dream. I pray he will be comforted at the services. Please watch over him and wrap your loving arms around him. Until we meet again, save a place up there for us!! Love you mom, Linda

“ So many memories throughout my life with you grandma that I will hold near to my heart. I know you are at peace now and are smiling down on us. I will miss you dearly. I will always remember your beautiful smile and how much laughter Kyleigh brought to you. Your face lit up every time you seen her. I am so blessed to have had a grandma like you and you will always be in my heart. It's not goodbye, but see you later. I'll see you again one day. Until then, please watch over us and enjoy every minute in the arms of our Lord.
I love you!
Mandy
