“ As I wipe the tears from my face this morning, I realize there are never the right words to say. I loved Marilyn like my sister as I loved Mike as my brother. Though my heart is broken, I know her memory will not fade and I will always have cherished memories of her in my heart.

I just was told about Marilyn's passing! She was a very close friend of mine for many years! We did a lot together as we both loved the outdoors, nature, making crafts together from natural flowers and plants. We talked about our lives, our beliefs, and both helped each other through very trying times. She was a real friend and had a heart of gold. She was always for the underdog and the lost souls. She was compassionate and loving always. She will always be in my heart and my memories. I know that she is at peace and out of pain now. Rest in Peace Marilyn, I love you!
