“ Fred would like to send his thoughts and prayers and the memories he has from over the years of Marilyn. The bowling days he shared with her and many dear friends. I myself had not had the chance to have known her, but she was a pretty woman and I would have enjoyed talking to her about the dog grooming business she once had. May the special memories of her to all of your family live on in all of your hearts to always give you comfort. Our Love and thoughts to you all, Fred Bickle, Kay and puppy girls.
