“*My heart goes out to you Nick. Marilyn was such an awesome lady. I never saw her without a smile on her face. Cherish all the memories that you two made and I promise it will make your days a lot easier. I can still hear her saying “Nick your boss is on the phone”. Sending all of you big hug and know that I am here for you.*

“*Marilynn was a very special friend to me. We meet when we were nine years old, and remained friends since then. We got our first and second job together, Taco Bell (Lathrop and 21st st) then Motor Specialty. When hanging with Marilyn, there never was a dull moment. We had so much fun, and so many laughs throughout the years. I will really miss her, her advice, her wit, her brains, just her in general. I even worked at her tax business with her for awhile. She knew how to make it fun, I love you my dear friend, till we meet again. Love Janet L.*

“ Nick, Nothing I say will help you cope with this loss, except, It sounds like you had MANY wonderful years together. I know this Is a terrible loss, but memories can help you, and understanding, the care you gave her during her time of need couldn't be replaced. She Is no longer suffering, and wondering when she would pass to the better side. Yes, she Is without you, but only temporarily, and one day, you will be together again. Think about what you're brother would tell you. He too left too soon, but If you listen hard, I'll bet he will speak to you. I pray for you, and you're entire families to endure this loss, and remember how wonderful Marilyn truly was. Nina and I always thought the World of You.
