“ I just wanted to say you were an amazing lady and will truly be missed. I will never forget the time I got to spend with you. Me you and Kyle had so much fun at the Packers stadium I will never forget it. Or when we spent 4 hours at the DMV making jokes to make the experience more fun. I will definitely miss our Wednesday morning chats I wish I could have had just 1 more chat with you. Forever in our hearts and memories

Every week for over 15 years I've had the pleasure of seeing this wonderful lady and styling her hair. When I said good bye last week little did I know that was the last time I would see or talk to her. Know matter what age, you are never ready to loose someone you care about. When you do someone's hair for so long they eventually start to feel like family. My Thursdays are going to seem very empty without you. Xoxo
