“ *To the family and especially to Deb, we were deeply saddened to learn of the death of your mother. We were honored to know her if even for too short of a time. We always were so happy to see you both and to have the chance to visit with you. In your mother, we saw courage, strength and...in her eyes...love for her daughter and family. She was very brave during her last battle and faced it with a beautiful smile on her face. We send prayers for your comfort in the difficult days ahead. Heaven has another angel...a very special one in your mother, Marge. Sending deepest sympathies, Susan and Lou Lesperance*
