“ *Just a brief note. I have been a friend of Mary Ellen dating back to our teens. I was saddened when I saw the notice in the paper of her passing. I know that she had some problems for awhile, but it was still a shock. Bill was one of my best friends during our school years and after their marriage. Mary Ellen and I communicated off and on either by phone or e-mail messages over time. I will truly will miss her. So sorry for your loss.*
