“ *A memory I have of my sister and I was when we were very small I wanted to play Barber Shop and I cut Mary Jos bangs until they were no more bangs. She didn't care but was I ever in a lot of trouble.*

*Another one was when she had her first date with John. She wanted me to fix her hair. I put it in a French roll and put some make up on her. She looked beautiful!*

*She was so excited.*

*I have so many memories. Most of them are good some are funny.  
Love you Sis!*
