“ I remember in high school wrestling being extremely upset about being injured in the last tournament coupled with not being able to make weight. Mike comes strolling in grinning like he'd won a scratch off and put his hand on my injured shoulder. I winced. Mike chuckled back, " Oh, are you hurt?...At you won't have make weight for a little while, huh?"
He just strutted on by on to his locker once again jovial as ever. But that was Mike, easing the mood of the room, and quick to find positives in situations.
He will be missed.
