“ *My daughters, Grace and Lauren, have attended daycare with Nayeli. Because of different drop-off and pick-up times, I am sorry that I have never had the opportunity to meet you, Gabi and John. My heart is sad for your entire family. Even though Nayeli hasn't come to daycare for a couple of months, just the other night, my little Lauren (2 year old) was talking about Nayeli and how she liked to be silly and make Nayeli laugh and giggle. When we would drop my girls off at daycare, they would often go over and greet baby Nayeli. What a beautiful baby! You have been and will continue to be in my thoughts and prayers.*
