“ Tammy, Kelly and Steve and family, My deepest sympathy to all of you. I am your cousin, Kitty is my mom. Aunt Pat and I shared a lot of great times together, she loved the beach and dancing and especially laughing and telling stories that kept us hysterical. She was my favorite aunt and I loved her very much. I will truly miss her and am so very thankful that I spoke to her a couple weeks ago. Looking at her picture makes me feel good and I am very glad that she has gone to the Lord and has no more suffering. There are no words to describe the loss of her. God be with all of you. Debi

“ My dear sister has gone to meet with God. Pat said to me a couple weeks ago when we were sharing our thoughts of Gladys, our only other sister who was under Hospice care, and died a couple of weeks before Pat, that Gladys would soon be seeing our Mother and oldest sister Myrt. Pat thought that was the best way for Gladys to view her own death and maybe it was for Pat too. I will always miss Pat. She was a very talented, smart and beautiful woman. Tammy, Kelly and Steve ....we love you and our prayers are with you during this very difficult time of the loss of your beautiful Mother. We cannot ever stop thinking of what a beautiful person Pat was with a great sense of humor, love of animals (all of them) and those who were fortunate to know her.

“ I met you 19 years ago at Menorah House, you took a liking to me immediatly. You got up at some ridiculous hour and your first break was before 8am. You were there when I showed up at 7:53 to talk until 8:00am. When I left Menorah and you got another job we never lost touch. You became close to my Mother Flora and called her every morining for well over 10 years between 7:53 and 8:00am, you always did have your schedule. Mom never had to set an alarm. We did some crazy short side trips, you spent holidays with us and hurricanes. You were family. We missed you when you moved back to Wisconsin but we could still hear your voice. Having your voice silenced is beyond painful. We will forever miss our best friend.
