“ We have many fond memories of “Grandma” Pat Brown. She was our dear neighbor for many years in TN. She would take care of our chores for us when we went on vacations till she couldn’t anymore and we would visit her often, take food to her, and invite her over for meals. Of course we grew fond of little Morgan her dog as well. She was always there for all the highlights of our life, having our children, etc. We even happened to be in the same hospital at the same time with Candi having our second child and her having a hip replacement. We just shared a lot of life together. We are sad that life had to come to this with her passing. We will definitely miss her coming around to visit us! Mary Lou took care of her mother exceptionally well till the end. Our deepest sympathies to you as a family. Especially thinking of Mary Lou, Russ, Mark, and Allen. May your mother’s values and gentleness live on in you always.
